Booking Process and Information

Breakfast Club (BC) and After School Club (ASC) bookings must be made on ParentMail within 'accounts'. You will be required to pay for BC/ASC on ParentMail at the time of booking. If you wish to pay for BC/ASC using Tax Free childcare (TFC), childcare vouchers or Early Years Entitlement (EYE), you must complete a paper booking form, which can be collected from the school office. You must clearly state on the booking form how these sessions are going to be paid, e.g. EY funding, TFC, etc. If you are paying using TFC or childcare vouchers, a reference number must also be stated on the booking form. Failure to do so will result in an invoice being issued to cover the cost of the requested sessions.

The ParentMail booking system is a weekly rolling system where bookings must be made at least one week in advance – the system will not allow you to book any sessions if you are attempting to make a booking less than one week in advance. Bookings can, however, be made up to 8 weeks in advance. In the event of an emergency, where you may be required to book your child into BC/ASC at late notice, please contact the school office who will endeavour to meet your needs. This will be subject to whether the session is already full and pupil to adult ratios.

Early drop and late collection

We cannot allow children to be dropped off earlier than the session they have booked, this is due to staff ratios and insurance.

An additional charge of £5.00 will be made for each 10 minutes a child remains uncollected after their booked session has ended.

Cancellation

If you wish to cancel your child's BC/ASC booking, please contact the school office. To cancel your booking you need to give the office 5 open school days' notice, failure to do this will result in you still being charged.

If your child is off sick from school, has been suspended or excluded, or late back from a school trip you will still be charged. This is due to staffing and ratios having already been planned.
