Dear Parents/Carers

We are delighted to offer Forest School sessions starting on Friday 15th November for five weeks.

Rebecca is running this set of sessions with the Fledglings team on a Friday morning.

Forest school sessions are a great way to introduce the children to outdoors in the our forest school area offering a wide range of activities like small log building, built dens, cutting wood and natural materials to paint with in mud.

The main aim of this session is for children to learn an understanding of what Forest school sessions are about in a fun and enjoyable way. This will encourage children's interest in nature and simple outdoor activities to encourage them to want to spend more time in a safe outdoor environment.

The cost will be £5.50 per session = £27.50 for the half term. We are hoping to run two sessions an hour long, when we receive the booking we will then sort the groups out and let you know which group your child will be in.

To attend the sessions your child will need a coat, wellies and waterproof trousers would be good if you have them.

The amount is paid half termly. Please note, it is essential that we receive sufficient interest in the sessions offered to enable the group to happen.

Your child DOES NOT need to attend Fledglings Friday session to attend.
