WHAT WE ARE LEARNING

PLANTS

This half term we are learning all about 'Plants'; Oak class are also following the same topic.

We will be looking at the following:

What is a plant? Where do plants come from?
Types of plants. Can we eat plants? Plants and animals. Caring for plants.

We are hoping to grow lots of things - some that we may be able to eat and others that we can send home.

KEYWORKER CATCH UP

The date has come around really quickly! if you would like to see your child's keyworker please let them know and they will arrange a suitable time to meet.

SEPTEMBER SESSIONS

If you know what sessions you want in September, particularly if you would like extra days, please email Rebecca, r.batten@cslprimary.co.uk

FASCINATING AND CURIOUS MUSEUM VISIT

Monday 13th July

We are very excited to be welcoming The South West Heritage Trust travelling museum, full of heritage objects designed to intrigue and inspire early years children, 'Fascinating & Curious Museum' has been touring across Somerset to early years settings, focusing on child-led exploration and play. This has supported settings to meet EYFS criteria, inspiring their ongoing activity and development. The South West Heritage Trust are continuing their early years offer as part of ongoing project work funded by Arts Council England

PROMOTING INDEPENDENCE

We have been focussing on helping the children become more independent with some simple skills. Some of these have included:

- Finding their own things, eg bags, shoes and drinks bottle
- Using the bathroom independently
- Being able to put on their shoes and socks

This is all in preparation for when the children go into school - any of these can be practised at home and would be really useful.

EMAILS

Just a reminder that staff will answer emails as soon as they can. This may be during their lunch time. When we are teaching your children we are unable to look at emails. Rebecca tries to reply as soon as possible but she does attend lots of meetings and her non working day is Thursday. Many thanks for your ongoing support.

SUNCREAM

Please could you apply at least 8 hours sun cream protection to your child before they come into Fledglings.

Please can you sign the chart to say you have applied cream otherwise your child will have limited time outside.

We are unable to re-apply so please don't send you child in with suncream.

LUNCHES

Please remember we have children with allergies and therefore ask you NOT TO SEND IN THE FOLLOWING:
Nuts in any form: cereal bars, in sandwiches, chocolate spreads, peanut butter, pesto, pain au chocolate, chocolate chip brioche rolls or pancakes

SNACK

We would really appreciate everyone doing their bit and bringing in at least one piece of fruit/veg a day. Thank you to families who bring in a big bag of fruit every week, this is always very much appreciated.
If you have any other ideas for snack, please let us know or if you would rather pay a donation.
