

Cotford St Luke: 1-minute newsletter

The PTA Disco last Friday was a great success. Krazy Kimmy was on excellent form and the children's dance moves were fantastic. None of this would be possible without the dedication of the PTA. There is a PTA meeting here at school on 11th March at 1800. Please do come along and see what they have planned.

World Book Day was amazing, I loved the variety of costumes on display. I know it's a real challenge to get the costumes all sorted so thank you for your efforts. The atmosphere in school was fantastic. Thank you to all of those who have been to the Book Fair for a look around or to buy a book; we gain a small commission from the proceeds which will be used to support the library here at school. Please note that the Book Fair closes today (6th).

The staff all enjoyed World Book Day too!

Smart Devices:

Please note that in addition to mobile phones, smart devices (such as smart watches) are **not** permitted at school. Please ensure that your child does not bring these types of devices into school. This is for the safety and wellbeing of all our children.

Social Media

Recently there has been a negative social media post that has named a member of staff. It is not acceptable to publicly name members of staff of the school or nursery. I would like to thank all parents for their positive comments in response to the post. Should anyone ever have any comments or concerns they would like to raise, please do come and see me. I am often on the gate before and after school or can be contacted through the office.

Sports Day

Sports Day will take place on Friday 5th June, weather permitting. Further details will be shared with parents closer to the time.
