

Cotford St Luke: 1-minute newsletter

Appreciate,
Believe, Challenge

I have been very impressed with the Year 3 children; they were due to attend a Sports Festival today, which was unfortunately cancelled at the very last minute due to the weather. Although disappointing, they took the news well and settled back to class.

Year 6 have begun a programme of dance in conjunction with Premier Education and have been invited to perform at the Tacchi Morris Art Centre. We will send more details via ParentMail as soon as possible.

After the Red Roses won the Rugby World Cup last weekend, the whole school has been considering what being successful means and the effort that goes into trying your best. The children have been setting themselves targets for this year. There are a super range of personal and academic, school and home targets:

'I want to achieve in swimming'

'To be better at handwriting'

'Spend more time with my animals'

'To have a go at skateboarding'

Today, you will receive a letter about the school's application to redesignate as an academy and join Richard Huish Trust. If you do not receive the letter, it can be found here: [Key Information | Cotford St Luke Primary School](#)

National Curriculum Assessments:

Throughout the academic year, there are a number of National Curriculum Assessments for pupils in primary schools that are a statutory requirement from the Government: reception baseline, early years foundation stage profile assessment: phonics screening check, multiplication tables check, key stage two test (SATs). For information on these and what they mean for your child, please see: [National curriculum assessments: information for parents - GOV.UK](#)

Vacancies

We are looking for an enthusiastic individual to join the SEND team as a Teaching Assistant. If you are, or know of anyone who is, interested please have a look at the advert: [SEN Teaching Assistant](#)

Attendance

This week the whole school has attendance of 96.7% . Thank you for supporting your child's attendance. Here is a further breakdown:

Oak: 97.6% **Pine:** 97.1% **Willow:** 97.2% **Hazel:** 99.1% **Poplar:** 93.8% **Rowan:** 97.2% **Maple:** 95.0% **Sycamore:** 96.7%
