Appreciate,
Believe, Challenge

My thanks to Mr Michell for building a new mud kitchen for the outside area of Oak class; the children have been really enjoying it.

Year 6 have begun their Bikeability courses - this is a fantastic opportunity where children are taught both riding skills and road awareness. My thanks to the parent volunteers who have helped with the riding around the village.

Today, Years 2, 5 and 6 have enjoyed a visit from the Planetarium - an inflatable observatory that has helped them explore the night's sky.
