Mr Wright's Round-Up

It has been a really exciting first two weeks of the summer term. Fledglings and Oak really enjoyed the Mini Beast visit from Exmoor Zoo.

There were some amazing creatures on display, my personal favourite being the stick insects.

Thank you to all of those who were able to attend Sports Day. We have received lots of positive feedback, for which we are grateful.

It was lovely to see how the children tried their best. We are very happy the rain held off. Special thanks to Miss Davey and Mr Payne for their work in organising the event and to the PTA for providing refreshments. Congratulation to Polden for winning the cup this year!

Both Poplar and Hazel were really excited by their visit to Noah's Ark Zoo, the children were really animated telling all about what they had seen and which was their favourite, the capybara seemed to be a particularly big hit.

Well done to Years 1 and 4. They have been completing the phonics check and multiplication check this week. For Year 1, they had 40 real and made up words to read and for Year 4, they had 25 times table questions to solve.

A Big Thank You!

A huge thank you to Darren, Store Manager at Otter Nurseries, for generously donating £130 worth of plants to support our school garden project.

We are very grateful for this kind donation, which will help us continue to develop and enhance our outdoor spaces for the children to enjoy.

Cotford St Luke Summer Fete - Saturday 25th July

The Cotford St Luke Village Fete will be taking place on Saturday 25th July and promises to be a fantastic community event for all ages.

There will be plenty to enjoy throughout the day, including stalls, games, refreshments, entertainment and much more. Our PTA will also be running a stall, so please do pop along and show your support if you can.

We hope to see lots of our school families there!
